

INVITATION TO ALL AT THE TITIRANGI RUDOLF STEINER SCHOOL

Amazon Films would like formally invite the managers, trustees, parents and the College of Teachers of the Titirangi Rudolf Steiner School, to be interviewed for a new documentary.

Part of this documentary will focus on the actions this school took on the 8th of June 2009 and the sudden expulsions of three children, then aged 8, 5 and 2, because their parents kept asking the school to follow their stated procedure and take appropriate action when children told that they were being bullied.

If you are interested please be aware of the following points:

1. A clear knowledge of the facts and chronology of events is essential. If you need a refresher, all correspondence between this family and the school can be found in the Archive section of www.titirangisteinermessenger.com

2. Politeness is just as crucial

If you are still keen on taking part, contact us at school@amazonfilms.net so that we can discuss your input.

Please note that this invitation expires on the 31st of August 2010. Please make contact by then if you are interested.

Thank you.
